

BEST VALUE!

BLOW-MOLD DOCK CUSHIONS

Ace Dock Accessories is proud to offer new sizes of blow-molded dock cushions that provide excellent protection for your boat.

Made of tough and durable polyethylene with ultra-violet inhibitors, blow-molded cushions provide exceptional value for customers by offering high-quality black or white options at a competitive price.

Blow-molded dock cushions are offered in 2-foot, 3-foot and 4-foot lengths with a variety of mounting-back options for added installation flexibility.

	Back	Flat	2-inch	2.5-inch	3.5-inch	"L-Shape"
2' Length	DCBM2 - FLAT	DCBM2 - 2.00	DCBM2 - 2.50	DCBM2 - 3.50		
3' Length	DCBM3 - FLAT	DCBM3 - 2.00	DCBM3 - 2.50	DCBM3 - 3.50	DCBM3L	
4' Length	DCBM4 - FLAT	DCBM4 - 2.00	DCBM4 - 2.50	DCBM4 - 3.50		

• Available in black (BK) and white (WE) as shown.

Mounting grooves on back of cushion.

ROTO-MOLD DOCK CUSHIONS

Protect your boat and dock with Ace Dock Accessories. Environmentally safe, Ace Dock products will provide years of use in both fresh and salt water. Our dock cushions are made of tough, durable polyethylene with ultra-violet inhibitors. Ace dock cushions are easy to mount, won't scratch or mar boats, and provide high visibility day or night.

Two styles offer customers the choice of **FIRM** and **FLEX** to meet your installation needs.

FIRM	FLEX
DC-1STF	DC-1SOF
DC-2ST	DC-2SO
DC-3ST	DC-3SO
DC-4ST	DC-4SO
DC-6ST	DC-6SO
DC-7ST	DC-7SO
DC-8ST	DC-8SO
DC-9ST	DC-9SO
DC-10ST	DC-10SO
DC-11ST	DC-11SO
DC-12ST	DC-12SO

Our durable "**FIRM**" cushions are designed to protect your boat by deflecting it away from your dock. Ace's **FIRM** poly cushion has set the standard from the beginning.

"**FLEX**" cushions have the feel of vinyl with the added benefit of being more resilient. This material will not pinch or twist and offers the same protection to your valuable investment as the **FIRM** model.

DOCK HARBOR CUSHIONS

Ace Dock Harbor cushions will provide excellent protection for your larger boat. They are designed with the same durable polyethylene as our other lines of cushions and are environmentally safe and easy to mount. All three sizes are available in **FIRM** and **FLEX** varieties.

• Also Available in black.

RESIDENTIAL AIR FILLED FLOATS

Made with the same attention to detail as our heavy-duty commercial marina line, Ace Residential Float Drums are air-filled, making them lighter and easier to assemble.

The floats are environmentally friendly and made of tough virgin polyethylene with UV inhibitors to prevent sun damage.

- Rotationally-molded shell
- Seamless, watertight construction
- Easy-to-assemble to any dock frame

MOORING BUOYS

FFMB-4242

FFMB-3232

FFMB-3838

The innovative design of Ace Mooring Buoys is easy to recognize. Designed to be durable and attractive, the buoys have several new features and can be personalized with little effort. The hard polyethylene shell has UV inhibitors to keep it looking new. Polystyrene foam fills the shell to provide maximum buoyancy. A PVC tube is molded through the center of the buoy to allow for different hardware options. An injection-molded collar captures the tube on each end and protects the buoy from wear.

Buoys can be used to mark waterways, can be rented to boaters mooring at your marinas, or can be used to support the line to which you anchor your own watercraft.

FFMB-1212

FFMB-2424

FFMB-1818

Tube through center allows for two hardware options.

Injection-molded collar fits into PVC tube and protects from wear.

Three flat spots on each buoy allow customization using graphics, numbers or reflectors.

Blue reflection tape makes buoys more visible. Flat groove allows tape to stay smooth.

Molded-in plastic bumper protects body and tape.

Polystyrene foam provides maximum buoyancy.

Hard polyethylene shell with UV inhibitors is durable and resists discoloration.

HARDWARE OPTIONS

OPTION 1

OPTION 2

12", 18" or 24" FFMB-P

1 FIXED MOORING HARDWARE KIT

This hardware kit captures the buoy on both ends and provides a swivel at the bottom for attachment of the anchor line. A loop is provided at the top for handling the buoy and storage of the watercraft pendant line on the buoy. Never anchor the watercraft directly to this loop. Watercraft must be anchored below the buoy and directly to the anchor line.

2 PASS-THROUGH MOORING HARDWARE KIT

This hardware kit passes through the buoy center tube. The anchor line is attached directly to the line shackle. A bearing plate under the shackle prevents the shackle from passing through the buoy tube. The watercraft's pendant line is fastened directly to the shackle.

Hardware options sold separately.

BUOYS

- FFMB-1212 12" foam filled mooring buoy
- FFMB-1818 18" foam filled mooring buoy
- FFMB-2424 24" foam filled mooring buoy
- FFMB-3232 32" foam filled mooring buoy
- FFMB-3838 38" foam filled mooring buoy
- FFMB-4242 42" foam filled mooring buoy

HARDWARE

- FFMB-12F 12" Fixed Mooring Hardware Kit
- FFMB-18F 18" Fixed Mooring Hardware Kit
- FFMB-24F 24" Fixed Mooring Hardware Kit
- FFMB-P Pass-Through Mooring Hardware Kit

PORTABLE DOCK CUSHIONS

The unique design of the Fold & Go not only protects your boat from scratching and scraping against rough posts, it folds up to allow you to take it with you.

The Fold & Go has a super-sized, cushioned surface that provides maximum protection at the dock or marina.

The Fold & Go stores easily on every boat. The fold-out handle fits over round or square dock posts that are 4" or smaller.

Portable and practical, Ace's Fold & Go is made of durable polyethylene with maximum UV inhibitors to prevent damage and yellowing from sunlight.

FOLD & GO
41" LONG X 7" WIDE X 4" DEEP

- FG742-01 1-piece carton
- FG742-06 6-piece carton
- FG742-60 60-piece pallet

- Durable shipping box converts into attractive point-of-sale floor display
- Individual four-color display sleeve with UPC bar code label
