

MOORING BUOYS

The innovative design of Ace Mooring Buoys is easy to recognize. Designed to be durable and attractive, the buoys have several new features and can be personalized with little effort. The hard polyethylene shell has UV inhibitors to keep it looking new. Polystyrene foam fills the shell to provide maximum bouyancy. A PVC tube is molded through the center of the buoy to allow for different hardware options. An injection-molded collar captures the tube on each end and protects the buoy from wear.

Buoys can be used to mark waterways, can be rented to boaters mooring at marinas, or can be used to support the line to which you anchor your own watercraft.

MOORING BUOY HARDWARE OPTIONS

1 FIXED MOORING HARDWARE KIT

This hardware kit captures the buoy on both ends and provides a swivel at the top for attachment of the anchor line. A loop is provided at the top for handling the buoy and storage of the watercraft pendant line of the buoy. Never anchor the watercraft directly to this loop. Watercraft must be anchored below the buoy and directly to the anchor line.

2 PASS-THROUGH MOORING HARDWARE KIT

This hardware kit passes through the buoy center tube. The anchor line is attached directly to the line shackle. A bearing plate under the shackle prevents the shackle from passing through the buoy tube. The watercraft's pendant line is fastened directly to the shackle.

Hardware options sold separately.

BLOW-MOLD DOCK CUSHIONS

Ace Dock Accessories is proud to offer multiple sizes of blow-molded dock cushions that provide excellent protection for your boat.

Made of tough and durable polyethylene with UV inhibitors, blow-molded cushions provide exceptional value for customers by offering high-quality black or white options at a competitive price.

Blow-molded dock cushions are offered in 2-foot, 3-foot, 4-foot and 6-foot lengths with a variety of mounting back options for added installation flexibility.

Back	Flat	2-inch	2.5-inch	3.5-inch	"L-Shape"
2' Length	DCBM2 - FLAT	DCBM2 - 2.00	DCBM2 - 2.50	DCBM2 - 3.50	
3' Length	DCBM3 - FLAT	DCBM3 - 2.00	DCBM3 - 2.50	DCBM3 - 3.50	DCBM3L
4' Length	DCBM4 - FLAT	DCBM4 - 2.00	DCBM4 - 2.50	DCBM4 - 3.50	
6' Length	DCBM6 - FLAT	DCBM6 - 2.00	DCBM6 - 2.50	DCBM6 - 3.50	

* Available in black (BK) and white (WE) as shown.

Mounting grooves on back of cushion

ROTO-MOLD DOCK CUSHIONS

Protect your boat and dock with Ace Dock Accessories. Environmentally safe, Ace Dock products will provide years of use in both fresh and salt water. Our dock cushions are made of tough, durable polyethylene with UV inhibitors. Ace dock cushions are easy to mount, won't scratch or mar boats, and provide high visibility day or night.

Two styles offer customers the choice of FIRM and FLEX to meet your installation needs.

Consult factory regarding additional colors available.

FIRM	FLEX
DC-1STF	DC-1SOF
DC-2ST	DC-2SO
DC-3ST	DC-3SO
DC-4ST	DC-4SO
DC-6ST	DC-6SO
DC-7ST	DC-7SO
DC-8ST	DC-8SO
DC-9ST	DC-9SO
DC-10ST	DC-10SO
DC-11ST	DC-11SO
DC-12ST	DC-12SO

Our durable "FIRM" cushions are designed to protect your boat by deflecting it away from your dock. Ace's FIRM poly cushion has set the standard from the beginning.

"FLEX" cushions have the feel of vinyl with the added benefit of being more resilient. This material will not pinch or twist and offers the same protection to your valuable investment as the FIRM model.

DOCK HARBOR CUSHIONS

Ace Dock Harbor cushions will provide excellent protection for your larger boat. They are designed with the same durable polyethylene as our other lines of cushions and are environmentally safe and easy to mount. All three sizes are available in FIRM and FLEX varieties.

* Also Available in black.

7.5 CUBIC FEET DOCK CART

UC007.5-28
28 X 51 X 34

Our newest product is a two wheel dock transport cart. The cart provides 7.5 cubic feet of transport capacity and is designed for transporting loads not to exceed 300 lbs total weight. The Dock Cart is manufactured from linear low-density polyethylene with U.V. stabilizers.

- 20" diameter wheels with semi-pneumatic tires with sealed ball bearing support
- Adjustable axle is provided to allow load balance adjustments
- Assembly of frame and wheels is required
- Additional Colors Available

RESIDENTIAL AIR FILLED FLOATS

Made with the same attention to detail as our heavy-duty Ace Roto-Mold commercial float drums, Ace Residential Float Drums are air-filled, making them lighter and easier to assemble.

The floats are environmentally friendly and made of tough virgin polyethylene with UV inhibitors to prevent sun damage.

- Rotationally-molded shell
- Seamless, watertight construction
- Easy-to-assemble to any dock frame

DOCK CLEATS

PORTABLE DOCK CUSHIONS

The unique design of the Fold & Go not only protects your boat from scratching and scraping against rough posts, it folds up to allow you to take it with you.

The Fold & Go has a super-sized, cushioned surface that provides maximum protection at the dock or marina.

The Fold & Go stores easily on every boat. The fold-out handle fits over round or square dock posts that are 4" or smaller.

Portable and practical, Ace's Fold & Go is made of durable polyethylene with maximum UV inhibitors to prevent damage and yellowing from sunlight.

FOLD & GO
41" LONG X 7" WIDE X 4" DEEP
