

# Snow Pushers

- ❄ Unit is universally compatible with all major skid-steer brands.
- ❄ Powder-coat finish provides a smooth, long-lasting surface.

A reversible 1" x 8" rubber cutting edge is standard

Arctic Assaults feature 1/2" replaceable skid shoes

Pull Back Blades are available for all models.

Arctic Assault Snow Pusher attachments make clearing large volumes of snow a quick and easy job. Their superior design provides lasting strength and durability.
