UPDATED CHANGE NOTIFICATION

250 & 300 Gallon Utility Tank

Den Hartog Industries is pleased to announce an updated design for the 250 and 300 Gallon Utility Tank. The update brings the two tanks in alignment with other tank sizes in our Utility Slim Line product line, ensuring greater consistency and compatibility across the series.

SP0250-UT

SP0300-UT

Part No.	Capacity	Description	Weight	Tank Dimensions
SP0250-UT	250 Gallon	Utility Tank	115	29 x 56 x 48
SP0300-UT	300 Gallon	Utility Tank	147	29 x 56 x 56
